ABOUT THIS WINERY

Brouwerij F. Boon is one of the major Belgian producers of lambics and gueuzes, recognized for the consistency and exceptional quality of its products. He actively participated in the survival and revival of the style in the last third of the last century and still collaborates regularly with the community of brewers and blenders to promote Belgian know-how in this area.

TASTING NOTES

Oude Geuze Boon has a deliciously gentle flavour thanks to its typically soft and rounded texture. You will discover a very fresh nose that is more fruity than spicy with hints of citrus (specifically grapefruit), apricot and oak. You will also enjoy its complex, balanced character with notes of wood, vanilla and nuts. The finish is long, dry and intense.
