ABOUT THIS WINERY

Among the most famous properties in the region, the Chatonnet Family vineyards are at the crossroads of the Lalande de Pomerol, Saint-Emilion and Montagne Saint-Emilion appellations, where they grow the best varieties on the right bank: Black Merlot, Cabernet Franc and Malbec. Each plot is harvested at optimal maturity and vinified separately using the most appropriate techniques. The wines are then delicately matured in underground cellars with an architecture that is unique for the region.
