ABOUT THIS WINERY

How we started

Our history begins in the early years of the last century in Nizza Monferrato, the heart of the Barbera d'Asti area. In 1935 Arturo Bersano, a rare man for intelligence and culture, went to the winery's guidance, until then family-run.

Passion

Thanks to his work, territory and vineyard, as a soul of grapes and a guarantee of the quality of wine, they immediately become the distinctive features of the House.
