ABOUT THIS WINERY

Although from the east coast of Corsica, this Inizia cuvée is marketed in Vin de France because it is made from old Corsican grape varieties and not yet authorized as a protected designation of origin. The biancu gentile, riminese, genovese and vermentinu grape varieties combine here to create a round, ample southern wine with an intense personality and complex aromas. A guaranteed discovery. Serve around 10 Celsius with salmon, lobster or seafood pasta.
